AAPC Statement on USMCA Announcement

WASHINGTON, D.C.- Governor Matt Blunt, president of the American Automotive Policy Council, issued the following statement on the United States-Mexico-Canada Agreement (USMCA) announcement:

“We are reviewing the final details, but we commend the United States, Canada, and Mexico negotiators for striking a deal. We have supported the negotiations to modernize the NAFTA and we applaud the conclusion of a trilateral agreement. This workable agreement was accomplished through a close working relationship between AAPC member companies and the US negotiating team. We look forward to working with the administration to finalize and implement this new USMCA.”

The American Automotive Policy Council (AAPC) is a Washington, D.C. association that represents the common public policy interests of its member companies FCA US LLC, Ford Motor Company and General Motors Company.
